

## REPAIR REPLACEMENT PROGRAM

At MMHS Inc., we believe in providing our customers with the best quality service at the lowest possible price. One way we can do this is through our “*Repair Replacement*” program.

The Repair Replacement Program puts a new Flowmeter or Vacuum Regulator on your fitting if the price of repairs is greater than the price of a new Flowmeter or Vacuum Regulator.

- Oxygen Flowmeter 0-15 LPM  
\$19.00
- Medical Air Flowmeter 0-15 LPM  
\$20.00
- Continuous Vacuum Regulator  
\$150.00

We also offer new sales of Custom Hoses
